# A Message from Our CEO

I wanted to take this opportunity in our annual lawn and garden catalog to personally thank you for your business. I've been humbled by the positive customer response and our employee's dedication to serving you as we close on our second year of operation. Our mission is to be the benchmark dealer of the Midwest. Everyone at Prairie State Tractor understands that being the benchmark means fully supporting your parts and service needs. We pride ourselves on large in-stock part inventory, trained and experienced technicians, capable facilities, and developing talent in our parts and service departments. We want your experience in any department to be a positive one and give you confidence in making Prairie State Tractor your dealer of choice.

Chris Rupiper  
Prairie State Tractor CEO
